LGBTQ 101: Terminology, Concepts & LGBTQ Intimate Partner Violence (Recorded 2.17.2015)

THIS RECORDING

This webinar focuses on increasing knowledge about lesbian, gay, bisexual, transgender, and queer (LGBTQ) identities in an effort to provide inclusive services to these communities and to prevent discrimination, harassment, and bullying. After completing the recorded webinar, viewers will be able to understand a brief LGBTQ history, describe terms and concepts related to LGBTQ identities, and explain similarities and differences between IPV in LGBTQ and non-LGBTQ relationships.

THE SERIES

It is the first of a three-part series about inclusion of Lesbian, Gay, Bisexual, Transgender and Queer (LGBTQ) individuals, and how to develop non-discrimination and anti-harassment policies.

The series is provided by the Department of Children and Families (DCF) Domestic Abuse Program, and presented by Molly Herrmann, statewide training consultant and member of the End Domestic Abuse WI and WI Coalition Against Sexual Assault LGBTQ Committee. Services Act (FVPSA) federal requirements. Webinars 2 and 3 are: *Creating a Welcoming and Inclusive Environment and Services for LGBTQ People*, and *Development and Maintenance of Policies Prohibiting Discrimination and Harassment of LGBTQ People*.

The series offers a wonderful opportunity to reflect on organization practices and culture, and to build bridges between existing knowledge and skills and innovative, emerging practices, while also meeting the DCF training requirement.

All staff of DCF domestic violence programs receiving FVPSA funding must view each webinar live (February and March 2015) or recorded.

Discovery Dating - Teen Dating Violence Prevention

Discovery Dating is a healthy relationship development tool created by Wise Women Gathering Place (WWGP) Director, Alice Skenandore. It provides a process for exploration of personal values, discernment of character traits of others, and practice of informed decision making.

Discovery Dating details steps which enable the student to predict repercussions of certain choices and the benefits of true partnership based upon discernment of facts and information.

Discovery Dating has been used with full or partial implementation in myriad settings, including elementary school classrooms, educational sessions for mothers receiving public benefits, youth clubs, high school enrichment offerings, and women?s support groups. Detailed instructions for implementing 14 weekly sessions in a classroom are available; however the lessons may be adjusted or combined to suit varying schedules.
